

TAKING BIDS

For

HAY ON STUMP

First Crop Only

About 14.5 acres grassy hay on the new Paradise Town park property, Approx 9600 South Hwy 165

Hay will be sold at a “price per ton” to the highest qualified bidder. Yield tonnage shall be determined by weighing several representative bales from various parts of the field and those weights extended to the entire crop for that cutting.

Bidders must get a form from Bev at the office or download from www.paradise.utah.gov.

Bids will be opened at the regular Council Meeting held 7:30 June 15, 2011 and winner will be notified on Thursday June 16th.

Please review form carefully, sign and seal in an envelope clearly labeled “Hay Bid” and drop off to the office **before noon on Wed June 15th.**

Bids can also be mailed to PO Box 286 Paradise, UT 84328 as long as they are in our PO Box by the deadline.

Contact the Mayor, Bev, or any member of the Town Council for more info regarding this sale.

Bid for “Hay on Stump”

14.5 acre parcel located approximate 9600 South Hwy 165 in Paradise Utah.

Please look over the hay growing on the property and be sure you understand the boundaries of the property which are roughly as follows:

From the Highway up to where 200 east will project thru to the south fence and natural boundary (the Hyrum Canal) and from that boundary on the south going north to the south side of the property lines of the lots that face 9500 South. (Approx 9550 south) Contact the Mayor (435-720-3893) or a Town Council member if help is needed identifying exact parcel boundaries

Bidder agrees to the following conditions:

1. This bid is for First Cutting only, 2011 Season
2. All equipment and labor will be provided for by the bidder
3. A representative sample from various parts of the field will be weighed to determine average weight per bale
4. Hay is to be sold “by the ton” and bidder agrees to take the entire crop
5. Bidder will pay Paradise Town within 15 days of when hay is baled
6. Hay will be removed within 10 days of baling
7. No guarantee by the Town regarding the quantity or quality of the hay or its alfalfa, grass or weed content
