## **Fire Department Message**

In the coming months we hope you will notice some enhancements in our monthly messages. Items included will be information specific to our community, what the fire department is doing to keep us all safe, upcoming events, highlight a member of the team, and more. We hope you will find this information helpful and at least a little interesting!

## **Monthly Safety Tip:**

Now that we have changed the clocks over to Daylight Saving it is a great time to check your smoke detectors. For some help in what to look for check out our Facebook page!

## **Run Report**

EMS dispatched: 2 times in February (YTD: 5)

Fire dispatched: 1 time in February (YTD: 1)

**Volunteer Training Hours YTD: 152**

## **Department Spotlight:**

It only seems appropriate that we highlight one of our longest serving members of the department first. Chief Troy Fredrickson has served in the department for 35 years and as Chief for the last 18 years. He maintains more than a dozen certifications which allow him to respond to local fire, EMS, and wildland fires, making him an amazing addition to the department. He was recently voted the 2018 Firefighter of the Year by his peers in the department.

*"I enjoy a good horse and saddle, tight lines and screaming reels, family."*
